

# ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES

## FACT SHEET

### Homer Lake Street Rehabilitation Project No: Z524610000

#### Project Scope

The Alaska Department of Transportation and Public Facilities (DOT&PF), in cooperation with the Federal Highway Administration (FHWA), is proposing to rehabilitate Lake Street between the Sterling Highway and Pioneer Avenue/East End Road. The purpose of this proposed project is to extend the service life of the roadway, improve pedestrian and bicycle facilities, and improve drainage. The proposed work will include:

- Rehabilitate 2,500 feet of pavement.
- Widen the road to the west and add bike lanes to both sides of the road.
- Reconstruct curb/gutter and sidewalk on the east side of the road.
- Re-establish existing ditches.
- Improve drainage by replacing failing culverts.
- Acquire Right-of-Way interests as needed.
- Relocate utilities as needed.

#### Current Status

The geotechnical exploration, ground survey, and environmental document are all complete. Design is approximately 75% complete. The next phase of the project is Right-of-Way appraisal and acquisition.

#### Schedule/Budget

Construction is expected to begin in 2018, but is dependent upon completion of Right-of-Way Acquisition and other factors.
